# Scholarship Criteria

The funds that are used for these scholarships have been donated for this specific purpose. The scholarship board wishes to be extremely transparent in the criteria it will use to award these funds to students; however, some criteria are beyond our control as it is specified by the person or organization making the donation. For example, some have specified that the scholarship must be awarded to a new student, rather than a returning student. Others have no requirements like that.

For an application to be considered, financial information must be received on all parents or guardians. If there is only one parent or guardian, supporting documentation should be submitted to verify this information for your application to be considered. If only one parent or guardian's financial information is received, the scholarship application will be considered incomplete and will not be considered in awarding funds.

## Confidentiality Statement

By signing below, you agree to keep the amount of any scholarship awarded confidential. As we agree to keep the information provided on your application confidential.
