Retirement Living Accommodation

Platform Housing offer modern stylish accommodation across the country. We pride ourselves on offering an independent lifestyle in the comfort of your own home. The accommodation is a safe, secure and shared environment and enables you to live your life to the full, leaving most of the everyday stresses to us.

Our purpose built schemes are modern and stylish places for people who are age 55 plus. We offer a range of bedsits, one bedroom and two bedroom apartments. In some locations we also offer bungalows.

Our homes benefit from having 24-hour emergency call system which gives you the peace of mind that someone is available at the push of a button to contact family, friends or the emergency services.

Our schemes have spacious communal lounges and kitchens for customers to enjoy and have the opportunity to take part in activities. Your family and friends can visit you at any time and some of our schemes have guest bedrooms which can be reserved at a small cost for family and friends to stay with you.

The staff at Platform will be on-site throughout the week to maintain the day-to-day running of the scheme and help with any housing related issues. They can also help you access minor aids and adaptations, to help you remain independent in your own home.

You can sit back and enjoy your own company in the luxury of your own apartment or you can engage in any activities that take place on scheme.

The schemes have so much to offer, see our none exhaustive list of some of the activities that take place across our schemes:

- Bingo
